Welcome to EUROTOX 2015

The Portuguese Society of Pharmacology is proud to host the 2015 Edition of the EUROTOX congress in Porto, Portugal.

Featuring in the UNESCO's World Heritage list, since 1996, warrants Porto's natural, cultural and historical attraction. Porto is also renowned for its gastronomy and the famous Port wines.

The University of Porto origins date back to the eighteenth century. It currently states the largest education and research institution in Portugal. We are honoured to welcome the EUROTOX attendants from all over the world and to offer the opportunity to not only establish and reinforce scientific networks, and sharing the advancements and insights in Toxicology, but also to experience our hospitality.

The contribution and support of EUROTOX long-term industry partners as well as new exhibitors and sponsors states a key factor for the success of this EUROTOX congress. Thus, we provide **excellent opportunities** for companies of all scale to effectively present themselves by means of an exhibition or sponsorship package, to build **brand awareness**, get in touch with potential customers and **strengthen business relationships** with their clients during the **extensive congress breaks**. As the exhibition area will also host the coffee break and poster area, it states the heart of the congress and a constantly high delegate frequentation will be guaranteed.

We kindly invite and encourage every interested company to actively take part in EUROTOX 2015 and hence benefit from a **mutual successful experience!**

We look forward to meeting and welcoming you to Porto in September 2015.

With kind regards

Félix Carvalho PharmD, PhD
Congress President EUROTOX 2015
