

## Young Scientist Awards (YSA)

### Award Condition

The first and presenting author must be under 35 years of age as of 31 December, 2015.

### Award Categories

The Young Scientist Award (YSA) comprises two categories, the EUROTOX Gerhard--Zbinden Award and the ECETOC Award:

#### EUROTOX Gerhard--Zbinden

- This Award will be given for drug-oriented toxicological research.
- The winner will receive 1,000 EUR in cash on-site at the congress and a free congress registration
- In addition, the winner will receive 1,000 EUR to cover expenses (hotel, accommodation, transfer, etc.) for attending the next EUROTOX congress and a free congress registration for this successive edition.
- The winner will also receive a free subscription to Elsevier's Toxicology Letters
- The claim should be made directly to the EUROTOX Treasurer using the form obtained from the EUROTOX Secretariat ([secretariat@eurotox.com](mailto:secretariat@eurotox.com))

#### ECETOC Christa Hennes

- This Award will be given for toxicological research into mechanisms and risk assessment.
- The winner will receive 1,000 EUR in cash on-site at the congress and a free congress registration
- In addition, the winner will receive 1,000 EUR to cover expenses (hotel, accommodation, transfer, etc.) for attending the next EUROTOX congress and a free congress registration for this successive edition.
- The winner will also receive a free subscription to Elsevier's Toxicology Letters
- The claim should be made directly to the EUROTOX Treasurer using the form obtained from the EUROTOX Secretariat ([secretariat@eurotox.com](mailto:secretariat@eurotox.com))
