Please adhere to the following Poster Presentation Guidelines:

- Posters have to be designed and printed by the authors in **DIN-A0 portrait (up-right) format** (841 mm wide x 1189 mm high) – every other format is not acceptable!
- Poster printing is not possible on-site in the congress centre (the congress organization will not print your poster) - If you need to print your poster on-site, please consult a [copy shop in Porto](#)
- Posters can be mounted earliest the evening before and should be mounted on the day of presentation before 09:30 h

- Posters are identified by poster numbers (please refer to your author notification, the abstract book or the online programme)
- Each poster wall will show the dedicated poster number – please only mount your poster on the corresponding wall stating your poster number
- Poster fixing material to mount the poster on the wall will be provided and distributed on-site
- There will be no guided poster tour, but presenting authors are kindly asked to be present at their poster for discussions during their assigned poster session
- All posters have to be removed directly after the end of the corresponding poster session (by 18:00 h, the latest); otherwise they will be removed (and disposed of) from the organizers

Poster Area:

All posters will be displayed on the Ground Floor of the Alfândega Congress Centre Porto in the Exhibition Area (West Ground Floor), in the foyers and the Miniaturas Hall

E-Poster Submission Guidelines

Each accepted poster shall be displayed as well as e-poster on-site at the corresponding e-Poster terminals. The link and login to the e-poster submission platform as well as detailed submission instructions have been sent by email on July 1, 2015.
